Descriere 4 You Apartments 3*

80 years ago, our ancestors decided to build this small and hospitable village surrounded by pine trees and the sea, so it can offer a nice stay to every visitor of Metamorfosi. Just 90km from Thessaloniki and 6km before Nikiti you can enjoy the beauty of the nature. Based on scientific facts of the excellent climate, five camps for children have been built at this specific area. Here, at 4-you Hotel, you will find the place of your dreams. In our new, modern, luxurious and hospitable Hotel, placed in the heart of an untouched environment, you will enjoy the comfort and relax during your unforgettable holidays. We also offer a breakfast with a surcharge of 10 EUR / adult and 6 EUR / child up to 11.99 year, which will be served at the 4-you Boutique Hotel.
